Includes
Exhibitors

What's New for Drug Testing Service Providers in 2016?

How will regulatory changes, technical advances in workplace drug testing and current legal issues affect your MRO practice? Find out at the American Association of Medical Review Officers' MRO Drug Testing Program.

Join us for a review and analysis of the year's events in workplace drug testing

Includes Exhibitors

LAS VEGAS, NV

December 9–11, 2016

(Friday–Sunday)

Annual Symposium Comprehensive MRO Training brings together the leading experts in workplace drug testing to provide a clear analysis of technical issues and business challenges. It is a unique opportunity for professionals to obtain relevant information on the scientific, legal, and policy aspects of drug testing. Attendees will receive valuable insight and sound, practical details for developing and maintaining successful drug testing programs. This program also offers the credentialing to prepare and certify physicians as Medical Review Officers for regulated and non-regulated workplace drug testing programs.

21.75 CME Credits

Registration Reminders:

- Separate registration forms must be submitted for each attendee.
- Please print legibly—this information is used to complete the training certificates.
- On-site and late registration (within 7 days of program): \$50 additional.
